We would appreciate it if you would announce the following in your column:

On Sunday April 17th at 3:00 p.m. THUNDER ROCK, an English film with Michael Redgrave, James Mason and Lilli Palmer, will be shown at the Cleveland Museum of Art. It is the story of a man who attempts to withdraw from western civilization in the 1930's. His retirement to a lighthouse and imagined characters provide a significant situation for our times.
